

SYMPOSIA

THURSDAY, SEPTEMBER 15, 2022

#1 - Symposium 8:30 - 10:00	Auditorium	Level 0
	New directions in dental research <i>(supported by BSODR)</i>	
#6 - Symposium 10:30 - 12:30	Auditorium	Level 0
	The scientific evidence for the use of hydraulic cements in clinical Endodontics <i>(supported by Septodont)</i>	
#7 - Symposium 10:30 - 12:30	Hall Major	Level 2
	Cross-linked hyaluronic acid in oral reconstructive surgery <i>(supported by Regedent)</i>	
#13 - Symposium 13:30 - 15:30	Auditorium	Level 0
	Dual-phase substitutes: the added value in bone regeneration <i>(supported by OsteoBiol by Tecnos)</i>	
#14 - Symposium 13:30 - 15:30	Hall Major	Level 2
	What has dentistry learned from the pandemic? <i>(supported by Dentaid Research Center)</i>	
#19 - Symposium 16:00 - 18:00	Auditorium	Level 0
	Symposium YOUNG CED-IADR: Novel chemical modifications and treatments to create easy, smart and durable polymers and interfaces <i>(supported by Colgate)</i>	
#20 - Symposium 16:00 - 18:00	Hall Major	Level 2
	Clinical evidence and results on novel soft tissue engineered acellular dermal matrix and immediate loading performance in implant dentistry <i>(supported by BioHorizons Camlog)</i>	

FRIDAY, SEPTEMBER 16, 2022

#25 - Symposium 8:30 - 10:00	Auditorium	Level 0
	Focusing on clinical and translational research in Ireland <i>(supported by the Irish Division of IADR)</i>	
#31 - Symposium 10:30 - 12:30	Auditorium	Level 0
	Irreversible pulpitis treatment: myth or reality? <i>(supported by Septodont)</i>	
#32 - Symposium 10:30 - 12:30	Hall Major	Level 2
	Guided biofilm therapy-new protocol in dental prophylaxis <i>(supported by EMS)</i>	
#38 - Symposium 13:30 - 15:30	Auditorium	Level 0
	Eating Disorders: New Insights into Clinical Management of Oral Complications <i>(Supported by Oral-B)</i>	
#39 - Symposium 13:30 - 15:30	Hall Major	Level 2
	Stem cells in bone regeneration: Future is now <i>(Supported by the University of Bergen (MAXIBONE project))</i>	
#40 - Symposium 13:30 - 15:30	Salle 120	Level 0
	The art and science of minimally invasive operative caries management <i>(Supported by Pulpdent)</i>	
#44 - Symposium 16:00 - 18:00	Auditorium	Level 0
	Biological and clinical aspects of modern composite techniques <i>(Supported by NIOM)</i>	
#45 - Symposium 16:00 - 18:00	Hall Major	Level 2
	Antimicrobial resistance: off-target effects of antibiotics, new approaches and educational challenges <i>(Supported by the University of Oslo)</i>	

SATURDAY, SEPTEMBER 17, 2022

#54 - Symposium 10:30 - 12:30	Auditorium	Level 0
	Symposium: Pathogenesis, clinical features and management of smell and taste disturbance in COVID-19 <i>(Supported by NOF-IADR, supported by Unilever Zendium)</i>	

KEY-NOTE LECTURES

THURSDAY, SEPTEMBER 15, 2022

#23 - Keynote Lecture 16:00 - 17:00	Grand Large	Level 1
	Keynote lecture: Silver agers, but silver gone: are demographics, epidemiology and dental restorative care approaches in sync? <i>(supported by DMG)</i>	
#24 - Keynote Lecture 16:00 - 17:00	Salle 120	Level 0
	BSODR President's lecture: Clinically-inspired translational microbiology: from standardisation to molecular mechanisms.	

FRIDAY, SEPTEMBER 16, 2022

#30 - Keynote Lecture 9:00 - 10:00	Grand Large	Level 1
	Keynote lecture: Bioactive Dental Concepts: When and How to Incorporate Ion Release within Biomaterials. <i>(supported by SDI)</i>	
#49 - Keynote Lecture 16:00 - 17:00	Grand Large	Level 1
	Keynote lecture: Oral Health profile and cardiovascular risk: the nutritional pathway. <i>(supported by Philips)</i>	

SATURDAY, SEPTEMBER 17, 2022

#59 - Keynote Lecture 10:30 - 12:30	Grand Large	Level 1
	Keynote lecture: Adhesion to ceramic surfaces: does 10-MDP primer perform better incorporated or separated from the resin cement? <i>(supported by Kuraray Norita)</i>	

YOUNG CED-IADR EVENTS

THURSDAY, SEPTEMBER 15, 2022		
Workshop 8:30 - 10:00	Mucem	Level 2
	Workshop Young CED-IADR: Database and reference managers: pre-registration mandatory <i>(supported by Kulzer)</i>	
Meet the Mentor 12:30 - 13:30	Saint Jean/ Petit Saint Jean/Lacydon	Level 1
	Meet the Mentor: pre-registration mandatory <i>(supported by Colgate)</i>	
FRIDAY, SEPTEMBER 16, 2022		
Workshop 8:30 - 10:00	Mucem	Level 2
	Workshop Young CED-IADR: Let´s Talk Science - Tips & Tricks on Scientific Communication: pre-registration mandatory <i>(supported by Kulzer)</i>	
SATURDAY, SEPTEMBER 17, 2022		
Workshop 8:30 - 10:00	Mucem	Level 2
	Workshop Young CED-IADR: Basic Statistics in Dental Research: pre-registration mandatory <i>(supported by Kulzer)</i>	
Seminar 8:30 - 12:30	Notre Dame	Level 2
	Seminar Young CED-IADR: Draw High Quality Scientific Graphics with Inkscape: pre-registration mandatory <i>(supported by Kulzer)</i>
